A Strong Kids Story...

Child Care

Camp Kern is an incredibly special place to my children and our family. Each time one of my children arrives home from their week at camp, they have learned so much about themselves. I am forever grateful for the generosity you show through the Scholarship fund. Without it, my children would never have the chance to experience the joy that is Camp Kern. Thank you again, and keep up the great work!

Youth Sports

The YMCA of Greater Dayton annual Strong Kids Campaign ensures that no one is denied the opportunity to share in the YMCA experience due to an inability to pay. Each year, thousands of kids learn to swim, play and compete in youth sports leagues, go to summer camp, learn new skills and make new friends at the YMCA.

Your donation to the 2007 Strong Kids Campaign changes lives. As a supporter of the campaign, your gift benefits children and their families by making YMCA memberships and programs available to everyone. For over 136 years, our YMCA has been building strong kids, strong families, and strong communities. This past year, an increasing number of families in our community faced tough economic challenges and the YMCA has seen an increase in requests for financial assistance.

In 2006, the YMCA of Greater Dayton raised over \$500,000 to provide financial assistance for thousands of families throughout the community. As the requests increase, so does the need for funds to provide these services. Your donation is an investment in our community and all dollars raised in the local community stay in the community to support kids and families.

Your donation:

- \$5000** sends twelve kids to one week of YMCA Camp Kern
