

# YMCA Camp Willson **Women's Weekends** April 21–23, 2006 and September 22–24, 2006

## Course Options

Volunteers from throughout the region will offer a variety of workshops and skill classes. Many of the classes include free crafts or small items to take home with you. A few of these courses allow you to create larger, more detailed crafts. Instructors may bring materials for you to purchase (glass planters, baskets, etc.) but you're not required to purchase anything—you're welcome to just sit in on the classes if you choose.

A complete list of courses and workshops offered, including short descriptions and materials available and any course fees, will be posted when you arrive. You may register for these on the Friday evening of your arrival.

There will also be a wide variety of free outdoor activities, including boating, archery, volleyball, tennis, hiking, and much more.

## Bring a Friend and Save!

Tell a friend about Women's Weekend. If they attend for the first time with you, we'll give you a \$10 coupon to spend here at Willson toward a massage, facial, or any of the "extras" during your stay. This offer is good for any first-time attendee and there is no limit to the number of new friends you can bring. Spread the word and save a bundle.

## Massages and Extras

One of the highlights of our Women's Weekends is the smorgasbord of opportunities to pamper yourself. Schedule a session with one of our therapists for a rejuvenating, full body massage. Then smooth the edges with a facial, body wrap, paraffin hand treatment, chair massage, or foot reflexology. You can schedule and pay for these "extras" when you arrive at Camp Willson. You'll be feeling great in no time!

Full body massages are \$45 per session. Extra services may incur additional fees and will be posted when you arrive.

## Accommodations

YMCA Camp Willson has winterized cabins that will accommodate up to 14 women. (We generally put only 7 in each cabin unless otherwise requested.) Each cabin has its own restroom and shower. An additional showerhouse is available.

Our meals are specially prepared and served to you in a family-style setting. We serve a wide variety of tastes and will always have plenty of options to please you. Please let us know of any special dietary needs when you register.

**YMCA Camp Willson** is one hour northwest of Columbus. We are located 2.5 miles west of Bellefontaine on County Road 11. Detailed directions will be included in your confirmation packet.

## Program Fees

Registration for this unique, getaway weekend is only \$135 and is open to any adult woman. This fee covers your meals, lodging, and basic programming. Other optional Women's Weekend programs may incur additional fees and will be posted when you arrive.

## Cancellation policy

100% refund in the event of cancellation due to low enrollment, or illness (doctor's excuse required); 75% for other reasons. No refunds for no-shows. Course offerings subject to change.
