

Information for the 2006-2007 School Year
(This is for next year.)

January 2006

Dear Outdoor Education Coordinator,

It is time to plan the **2006 –2007 Outdoor Education season** at YMCA Camp Willson. Enclosed you will find the request material to begin the process of selection for next season. This information is also available on line at www.ymcawillson.org.

Please return the *request form* to us by **March 3, 2006**. If you have conflicts meeting this deadline, please call. For your convenience, I have enclosed a 2006 - 2007 calendar. Check your school calendar for other possible conflicts. Remember that we rotate schools through the three seasons so everyone has the opportunity to receive choice dates. In fairness to all, list a variety of dates to assist in the scheduling process. *Please list more than one date for each season.*

We process all requests simultaneously. If you are a school new to our facility, send your request dates also. You are under no obligation to that date until after your visit to Willson this spring. I would like to include you in the current request process.

New this year, attendance fees for the month of January 2007 will be discounted 5%. In other news around camp, you will see many remodeled areas. The original cabins have been rebuilt. The shower house has been remodeled. Many of the winter cabins have new heating units. And, most exciting, we now have wire-less internet in the Dining Hall.

If you are looking for an added challenge for older students, remember that seventh grade and up can participate on our high ropes course. Please contact us for more information.

Sincerely,

Kori Keck
Outdoor Education Director
